

Gymea Miranda Bowling & Sports Club AGM 2023 Chairpersons report.

Hello, on behalf of the directors, members and guests of our great club, I would like to congratulate our staff members and management for the financial achievements of this year 2022 to 2023! Our financial result is the best this club has ever achieved! Time and structured planning is required in every business and in our case, we have received exceptional results, even though we have had various expenses through the year such as a cash recycling machine, complete roof replacement, additional furniture and many other improvements throughout the club! Also our CBA loan facility has zero debt.

As I mention every year, our volunteers play an extremely important part on saving our club, many thousands of dollars throughout the year! Headed by Marc Worthington and Len Crawley, I thank you all for your time and workmanship, which is greatly appreciated!

My special thanks to all of our staff, who tirelessly continue to accommodate our members and guests requirements at all times of the day! This all happens under the direction of our Board of Directors and professionally managed and implement by one of the best, Jason Fullerton, our CEO!

We will continue improvements within our club as much as we can. Unfortunately, we have run out of room for our members and guests, so that has urged us to look at new and improved future development that we are exploring that includes underground parking, indoor bowling green, the footprint of the club to be continued from existing level with residential development above. This is planned to be developed where we now have green number three. We have engaged an extremely professional building/consulting company who will be available at our AGM, where they will advise our membership of the stage we are at. This development would secure our future, financially.

Our Mikes Grill is the best in the Shire, just like their staff. Thank you very much Mike and your staff, for all you have done for us, this year!

Thank you to my Board of Directors for your time and effort spent, it is greatly appreciated! Always working in the best interest of our club,

“I’m excited”

Kevin Jeffree
GMB&SC Ltd., Chairperson.
