

GyMEA Miranda Bowling & Sports Club AGM 2024 Chairpersons report.

Hello all and thank you for your patronage throughout the year. Again, our Club has performed extremely well and been able to complete many projects primarily, the completion of our downstairs area that has increased our footprint enabling us to be able to accommodate many and various functions in turn increasing our income into the future!

We have continued to meet with consultants, neighbours and council, negotiating a proposal that will guarantee our Clubs financial stability into the future!

Once again, our volunteers have performed maintenance throughout our Club, saving thousands of dollars.

Our success would not be possible without our management and staff, Mikes Grill staff, always performing their professional skills and ability every day throughout the year. As we all can see we have run out of space, so we always thank you all for your patience and understanding throughout the year! Jason and Mike, your management skills are greatly appreciated by us all.

To our Ladies and Men's Bowling Clubs, we thank you for your continued success building your business within our business! An exceptional increase in your membership is appreciated!

Our future is strong with our negotiation and planning gaining mentioned to build additional facilities including an indoor green, extending our Clubs footprint and accommodation and as I mentioned earlier, secures our financial future!

Our goal is simple, and that is to continue to build a facility that can be enjoyed by our members, guests and our greater community, that will be financially secure! I thank my Board of Directors for their time and commitment to our Club and I am sure that will continue into our future!

To You our members and guests, your participation with us is appreciated and I thank you all!

See you in the Club,

Kevin Jeffree
GMB&SC Ltd., Chairperson.
