

Gymea Miranda Bowling & Sports Club AGM 2025 Chairpersons report.

I would like to thank all of our members, guests and visitors that have come to our club, and have enjoyed their special times!

Inside and out, we have completed renovations further improving the facilities for all! As always there is a cost associated with any renovation and yet at the end of the year we still maintained a profit of over \$329,000. A special thanks has to go to our CEO Jason Fullerton, for his continued compliance and guidance throughout the year.

Our endeavour to improve and create our infinite financial success, we have also looked at a major upgrade. In short on green three having an indoor bowling green with the footprint of the club on the existing level to go over the green. Above that depends upon zoning and approval from the state government, to build residences above the club footprint. The process moving forward is to submit an Expression Of Interest (EOI) to the state Housing Development Authority (HDA) and await their comments. Overall this is a lengthy process but certainly worthwhile to secure our Clubs financial future! I urge any member wanting more detail to Contact Jason or myself. It is our endeavour to inform the membership of having seminars over the next few months.

As always a special thank you, to our volunteers led by Len Crawley and Marc Worthington, for all the work they have done over the past 12 months and for the past 5 to 6 years. I express my sincere thanks to you ALL and thank you for your valuable time!

I would like to thank our directors, expressing my appreciation for their directorship and their valued personal time!

As I have said on many occasions, you always leave the best till last! To all of our staff, thank you for taking care of all our facilities with your charming and professional skills! Mike's Grill staff, congratulations on the culinary delights that you have served time and time again for our patrons!

In closing, I look forward to another exciting year, improving all aspects of our Club!

Kevin Jeffree
GMB&SC Ltd., Chairperson.
